PLOT SUMMARY

TURNOVER is an herbal fable that plots a tanning salon by a nightclub, respectively Tan Salontro and FigLeaf Nightclub.

In Dirty City, a Cilantro arrives. Rau Răm is an Asian immigrant and expectant mother hoping to start the salon, Tan Salontro. When no one can spare a plot of land, Malus Crabapple welcomes her with a neighboring open plot. Rau is a bit hesitant due to Malus's gay nightclub known as FigLeaf. But FigLeaf patrons have a liking for Rau's body oil that spices up their skins. Rau happily takes their money but cannot support their "lifestyle." Within this turnover, in comes Rau's son: Parsley ("Turnover").

This teen operates the day-to-day salon business and spends the night with his mother ("So Tall"). Malus soon introduces their teenage nibbling, Pyrus, to a fresh cut at Salontro. Parsley helps Pyrus with issues that they have with the other flowers ("They Love You, They Love You Not"). Pyrus pays Parsley with an untried beverage and invites him to go shopping ("Test the Water").

Parsley asks Rau for permission but Rau objects ("Cut the Bullshit"). He goes out anyways and discovers a liking for different floral styles, especially crop tops ("Crop Top"). Rau finds Parsley's stashed clothing to be abhorrent and grounds them ("Soil").

Parsley ponders ("So Long"). Pyrus helps Parsley sneak out ("Plotting"). They have the time of their lives ("Dirt on You"). However, herbs are not accustomed to the nightlife and this one is especially underaged ("Garnish the Garden"). Parsley ends up in the hospital, getting their stoma pumped.

Rau sees the light of their ways ("Essential Oil"). FigLeaf shuts down due to the violation of underage drinking laws. Pyrus visits Parsley, who gives the lasting cuts ("Prune This Swoon"). Pyrus prepares to move. Rau offers Pyrus a summer job if they ever are around again. After all, it is a family business ("Turnover").

What are the turnovers of this sunny salon and this night saloon? How a growing child flips over to and accepts the darkness is the petal of this floral coming-of-age story.

SCENE 1

DIRTY CITY

Dirty City is if Grand Rapids was entirely Frederik Meijer Gardens. The city is scaled down so that a single block takes a single step. Empty plots of land scatter about. It is between seasons. Any season.

RAU enters. Her hair is unearthly. Her tan gleams. She is expecting a new seed. She tries to plant herself in an empty plot of dirt.

A picket that reads "Curb the Herbs" projects upon that plot.

RAU moves to another empty plot of land. The same message projects. RAU repeats. The message repeats.

The Sun sets.

RAU collapses on the concrete with her body facing the sunset. She feels her belly.

RAU

Sun... A plant isn't meant to live for tonight.

MALUS enters, opposite of the sunset. They are barely clothed.

MALUS

Turn over.

RAU turns away from the sunset.

RAU

Chào. Aren't you an angel?

MALUS

Hello. Aren't all Figs?

RAU

Any Fig is a malice!

MALUS

That's my name: Malus Crabapple. I am a Fig-

RAU

Ment of my imagination.

MALUS

Does your imagination include a better life for yourself here?

RAU

Any plant can imagine. A Cilantro can dream! Imagine Dirty City's first-ever tanning salon. I *dream* of a better life for my family here...

MALUS

You immigrants have wild dreams. *But imaginations*. You cannot imagine people like me living by your family, let alone amongst yours, wherever you come from.

RAU

You don't know where I come from.

MALUS

Like a leaf, my people are open enough to fly all around the world. You took a leave from Southeast Asia? All your last names are like... *Weed (re: Nguyen)?*

RAU

Răm. Rau Răm. There are more family names out there in Vietnam. And no. You don't know the daily life I came from.

MALUS

Well Rau, I won't judge your days if you don't judge my nights.

RAU

I don't know where your nightlife comes from.

MALUS

It stems from birth.

RAU

You chose this light. This lifestyle you have. It is not something you are born with. I cannot imagine a life without light.

MALUS

You keep this up and your salon stays an imagination.

RAU

I cannot keep this up. No plot of land in Dirty City will ever let me plant myself.

MALUS steps onto a colorful plot of land. They push aside an adjacent block of concrete to unveil untouched soil.

MALUS

Make your roots at home.

RAU reluctantly plants herself
next to MALUS.

RAU

(Relaxing)

Im lang.

MALUS

(Puzzledly)

Make your beds.

Several tanning beds roll out.

RAU

Shut up.

MALUS

I wasn't born with lightheartedness. *I chose
it.*

SCENE 2

TAN SALONTRO

The heart of Dirty City lightly
transforms into a tanning salon.
An Open/Closed sign hangs.

RAU

Im lang. Im lang. Im lang! Im lang!

MALUS

Imagine Dirty City's first-ever tanning salon's
first-ever customer!

RAU

Im lang. I cannot imagine.

MALUS

I may be a Fig but not a figment of your
imagination!

RAU

Figures...

MALUS

We may have different figures and feel
differently for other figures, but we bleed the
same eukaryotic cells.

RAU

You are crazy to think I'd let your kind use my
tanning bed.

1. "TURNOVER (A NEW START)" (<https://www.anewleafshow.com/music/1-turnover>)

RAU turns the "Open" sign to
"Closed." RAU lies in a tanning
bed. She closes the lid.

RAU
BUT THE BEST TURNOVER I EVER HAD...

RAU opens the lid. Her belly is no
more.

PARSLEY jumps out of another
tanning bed. He turns the "Closed"
sign to "Open."

RAU (CONT'D)
Turnover...

PARSLEY turns around.

RAU (CONT'D)
You missed a spot. But son, do you shine...

End of "TURNOVER (A NEW START)"

PARSLEY

—

Scattered thoughts below...

MALUS
And plots of land are not a plant right. But I
think it is right for you to plant yourself
here. To have your business right beside mine.
You'll see the light. Or at least, the Sun.

MALUS looks at the Sun and points
to RAU's belly.

RAU
I cannot imagine a life without light.

MALUS
Your salon will stay that way if you keep it
up.

RAU
My dream is

MALUS
That's all you Cilantros do.

RAU
My dream is

A rainbow arches onto a particularly dark patch of land.

RAU heads towards the end of the rainbow.

MALUS enters. They plant a sign on the colorful plot of land reading: "FigLeaf Nightclub."

MALUS
Signing up?

RAU distances herself.

RAU
I'm not signing up for whatever this is...

MALUS
Do you have a thing for us, Figs?

RAU
Do you have something against immigrants?

MALUS
I have nothing against immigrants. I have something for them. I got dirt, for you. A shitload of it.

RAU
Bullshit.

MALUS
All the bullshit in the world. I won't treat you like how Grand Land treats us. This dirty city treats Figs like dirt and not like plants.

RAU
I've never seen a plant grow under a rainbow...

MALUS
A white light is a combination of all seven colors... Us Figs are naturally born to filter them out.
RAU moves to another empty plot of land. The same message projects. RAU repeats. The message repeats.
