

# Recommendation Letter

To whom it may concern,

This letter is written to attest that **David Quang Pham** has taken part in and successfully completed the **Animation Scriptwriting** course taught by me and delivered through ELVTR.

Throughout the course, David has demonstrated an excellent understanding of the material covered in class and has made significant contributions through home assignments and a final project. David excelled in creating a character profile, playing with story formats, writing character dialogues, and describing scenes.

Feedback iteration has been an essential part of this course and an area where David has also demonstrated significant achievement. Taking an active part in peer discussions and completing in-class and homework, David successfully completed all stages and developed their own unique concept, translating their creative vision into a compelling pitch.

It has been a pleasure working with David, and his performance, commitment, and attitude have left a positive, lasting impression. I'm confident that David will be able to put the skills and knowledge that he has extracted from this class towards the advancement of his career, and I look forward to seeing the fruits of his labor.
